

## Eyeball Best Fit Demos Activity

### Description

Use this lesson uses Desmos to get everyone involved with the class but can also be done without.

This activity is similar to the Concept Investigation on page 100 but is on Desmos. Students choose an eyeball best fit line and practice drawing an eyeball best-fit line through given data.

---

### Prep Work

Start a session of the activity.

---

### Instructions

- **Pre Activity**

Have students go to [student.desmos.com](https://student.desmos.com) and create an account or sign in.

- **Activity**

Have each student work through the activity. Be aware some students may get stuck on some screens so move around and answer questions as needed.

- **Post Activity**

Review a few of the screens with the class using the teacher login.

---

### Time Required

30 minutes
