

Completing the Square with Algebra Tiles Worksheet

Description

This worksheet helps students understand the process of completing the square.

Prep Work

Get a set of algebra tiles for each group of 2-3 students. Print the worksheet for each group.

Instructions

○ Pre Activity

None

○ Activity

Give each group their worksheet and algebra tiles.

Have students work through the worksheet.

Students may have some difficulty visualizing this so go around and assist where needed.

○ Post Activity

Discuss completing the square more formally if desired.

Time Required

50 minutes
