

An Introduction to Exploring Lines Demos Activity

Description

Use this lesson to acquaint your students with the Desmos graphing interface, and to review procedures and language around linear functions.

Prep Work

Start a session of the activity.

<https://teacher.desmos.com/activitybuilder/custom/56b16517ab3e5f9d2352dc9d>

Instructions

- **Pre Activity**

Have students go to student.desmos.com and create an account or sign in.

- **Activity**

Have each student work through the activity. Be aware some students may get stuck on some screens so move around and answer questions as needed.

- **Post Activity**

Review a few of the screens with the class using the teacher login.

Time Required

45 minutes
